

## **Written evidence: Bus Services Bill**

**March 2017**

### **Why bus services matter to older people**

1. Age UK believes that wherever they live older people should be able to reach key services, friends and family at reasonable cost, in reasonable time and with reasonable ease and that transport is vital to leading an active and independent life.

2.

## **General considerations**

### **10. Gaps in services and integration**

#### **10.2**
